Wa invite the public attention to our large and well selected clock of PIANOS and ORGANS, and our unequaled facilities for furnishing the best class of instruments at low rates. We purchase for uel cash lustrager quantities than any other house in this city. The expense of our PIANO and ORGAN Department is far less than some houses doing exclusively a Piano and Organ trade. We have reached lower prices than have been lendered by any dealers in this market, and guarantee all instruments as represented. We sell on easy mouthly or quarterly payments, and any instrument taken on trial, not proving as represented, may be raturned at our expense. We solicit correspondence with personn desiring to purchase, and take pleasance is answering all impuiries.

JOHN CHURCH & CO.

Friday Morning. . . July 8, 1881 W. P. WALTON, . . . Edilor

A poter of lightning from the cleac sky of the beautiful Jely morning of Setur day, would not have surprised or awed nur people more than the news that the tele groph brought of the attempted assassiantion of President Garfield. For a time co time on cud was put to it. Crazy men who delivaced to (leu. Sherman: way, and there will be fewer of such anlshow who, if acy, are his accomplices. We do not believe the flimsy plea of insanity can be maintaised. It la arged by some joh, he buya a heavy pistol, goes down to an unfrequented place on the river and endeavors, by firing at targets, to Improva his marksmanship, the more to be certain of his prey. He finds out the plane of the President, londs his pistol with particular care, and affac preparing means of escape, be singles out his victim end with nece-ing aim he bucket two balls into his body. Sucely If he le mad the Nihilists who blew up the Czar of Rusia wers howling lunation

The attempt on the life of Mc. Garfield. perpetrated as it was, when no sectional and warlike leeling provaded the country, and when everything was peaceful and celm, agree disappointed faction or merce publican party, creates more widespread one cities that he has honored with his horror in the public mind than the agree institute of the public mind than the agree institute of the public mind than the agree institute of the public mind than the agreemer, is of the vilest sort. His picture has for come time community in e condition as to its Escentive that it never before experienced. The community is a condition from the limit that it was his duty was done at the close of a bloody civil war, when hot authorative had dethroned the reason of a majority of the people of the l'nited States. Then everybody was prepared tor eny extraordinary event; now with those authorative and sectional feel-with the overbearing how pair and sick.

**The authorative experience of a bloody civil war, when the case of a bloody civil war, when the transfer of the people of the constitution provides that in avent of the whole efficit pleasing to the whole efficit ple And the beanty of our form of Government minority yields to the majority, end can feel that a lawfully elected President of President in Improving, end carees him-If its votes hell made him so. That is the That ceaven fear of death at the hands of way that the whole country now cegarde that the Democrata are, if possible, ninre

duties of such a position, with no ambition tinged to siak until it got out that he was save to advance that faction of his party which lives on the spoils, and nith designing men as advisers, we may look some nourl-kneart.

Since then and up to yesterday the bull-brins of his condition have almost alterante that the people nill have to rise in nated nith good and had. One would tell us It is not to be pressured that a man, whom his Frandlency, Hoyes, turned out of the confice of the Collectorship of New York because of the corcupt conduct of that office, and the because of the corcupt conduct of that office, and regrets, and conductor that office, and the was sent to the heads of all civilized nations and nho was thrust upon the Convention.

The new of the teccible deed was a spontaneous one and the resolutions adopted show how deep the feeling is here for Garfield and against his ligantic would be assassin.

Figure 1. The new of the teccible deed was sent to the heads of all civilized nations adopted show how deep the feeling is here for Garfield and against his ligantic would be assassin. The prayers of the whola country, except those of the faction alluded to, go up to Periode the recovery of the Pravident lies and an escape from the diagrace of an Threshay Evening. The President Acthur-Conkling Administration, and flod has continued to improve for several days, grant that they may be answered.

one editorial of the paper Acthur is made first, and this less gone far to leabne less to appear as an honest usan, too much, husband with the idea that he nill get well. perhaps, under the courted of Conkling, and in another it is said: "In
to the heliaf that he nill recover, and husness gose on lively after its short interness gose on lively after its short tor was diagraceful; while as Vice-President in the nation is a good old age in that dept it has been digraceful. Those who condition are unmerous, and that creates most popular President since Washington. hope for any good from him can not have no great concern. The following is the it on any record he has made as a public latest nees received before going to press servant." Mr. Watterson should endeavor lest night: to make things consist, and not blow hot

The Clovecuor has pardoued Alfred of the President continue to be favorable. Mr. I. D. Cardwell, of the Enterprise, has Gamble, who was undergoing sentance for life for killing Judge Burnett in Breathitt county, in 1878. Why, oh! why! didn't Clitteau come to Kentucky to get in his

live to give a new impulse to the
trade, was one day pacing to and fro betrade, was one day pacing to and fro betry tilety days in the stocks for the witcanonical by e people compared to whose exclusive jealousy the Jewish exclusive jealousy the Jewish exclusive ness is latitudinarian? The secret of his fame is mainly this; that he was the Chinaman of the Chinaman, the most conservative and ancestor-worshiping individual of the most conservative and ing npon the people. In parts of the work-shop, and was ettracted by

do not serupulously observe them. Peruvian would allow him to. Thick of liver oil. As the use of this remedy is of the present time more extensive than railroads in a country where the people's Chinese ennon all the wisdom which had unsin atey for the dey is two bananas, been tested by previous generations, and one and potato.—Lina Cor. San Fran-

In France, when a horse has reached two druchms of tomato or walunt catching the age of 20 or 30, it is designed for a to each onnce of the oil, the mixture be-chemical factory; it is first relieved of ing well shaken whenever required for they consider leber disgraceful. Yet they are generally occupied. They rise hoofe serve to make combs. Next the any other form in which cod liver oil carly, take s cup of tes and go to mass.

Their walking suits are neat and pretty;
in this respect they surpass us. The
dress is black end never touches the
dress is black end never touches the
subject to make counts. Never the last besu taken, and this he attributes to
cooked by steam, at a pressure of three
shoopheres; s cock is opened, which
solid the same in the same is placed in a cylinder and
cooked by steam, and this he attributes to
the association of substances generally
employed as additions to food, bringing
should be the same in gronns; there is no lusaing or lumbling with trains. A white skirt is sometimes mains are cut up, the leg bones are sold to make kulfe handles, etc., and the remain dormant when such inconseen a little below the dress, with a deep hem and two tucks, and always white coarser of the ribs, the head, otc., are gruous ambetances as segar and and clean. Pruncila gaiters are generally worn; the hands are bare; the ally worn; the hands are bare; the blands are bare; the blands is thrown over the head, falling gracefully down almost to the bottom of the skirt, and gives them a charming approximately the skirt, and gives the skirt, and gives the skirt the skir gracefully down almost to the bottom of the skirt, and gives them a charming appearance, for it may conceal many defects of a face that is not handsome, and it sets off to advantage the charms of a beautiful face. A lady never goes out alone in Lime; two or three go together, and e black weman servant walks tachind. Young girls are carefully escented by their friends wherever they go, and are never permitted to see persents of the opposite sex alone. All than matches are made by elder people, and so effectually is this done that the ladies all marry and none are divorced. The atl marry and none are divorced. The bonate of ammonia; the resulting mass atl marry and none are divorced. The stripect of dress claims most af their time and attention; their hall dressed and opera and soirce outs ore magnificent. Their boots, especially, are beautiful. No results have naturally as amail size of potash, with which tissues are foragoing to bed my chum thinks of his stripect of dress claims most af their is pounded up with potash, then mixed with potash potash.

ments are gliding and graceful, and the a fact the following remarkable fish down to the cale, when the proprietor, same is true of the men. On the street story as coming under his personal obthey never jostle each other. Their manners are excessively courteons; but their conversation amounts to little, being chiefly goesip about domestic at lowed by an eel. Before the cel could but I have lived too long in this country be drawn from the water it was swal- to take the word of one of these fellows lewed by a twelve-pound cattish. The for a spoon." The dwellings of the Kroumir chiefs are somewhat superior to the other inhabitacts, but even the chiefs share their homes with the mules, the cowe and the goats. The slwelling consists hook from the cel's throat, got it fastened into its own, and the three were drawn out on the same line .- Houston

Coleridge was a very ewkwant and ungainly man physically, int intellectually he was a match for the best. When trudging along a country road he was met by a wag, who thought to heve some eport. "I say, man," he eried ont, "did you meet a tailor ou your way?" Colorides bythed up and middly way?" Coleridge looked up and mildly said: "Yes, and he told me that a little age of 30 being about the dividing line, further on I should see his goose,"-New York Herald.

UNFORTUNATE PRANKNESS. They were touching up their toilets annuylug," she says, "to let introduced preparetory to the afternoon promenade. to Mrs. Itrowe, a sitly, saperficial creat-'Cicely, my dear, do you think I need mre yet is her teeus, and the wext moany more color in my face?" "That depends. If you only want a delicate what a glance we perceive to be on in-blush you have it just right. But if you tellectual, notic, broad-scalest woman of want your complexion to match your 35 or 40, worth more than a dozen like hair put on a little more vermillion." Mts. Brown." Do you enppose they walked together that afternoon? Not any.—New Haven

A Young man who had been expected for some time to "propose," but whose diffidence had kept him back, was astonished by his father saying to him as the set off for his sweetheart's residence by a barkrepsr. one evening, "John, you'd better take the serew-driver along with you this time." "What for?" exclaimed John. "Bo as to serew up your courage a little," enswered pater. When John came home that night he said: "I've done it, father."

A Connective man has invented a sufergulses. Their Hop Bitters have pipe that will light itself. This is an underlimited attempt to force house painters to find some new way to kill painters to find some new way to kill land.—[Limphic.]
